Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Spiritus Christi Prison Outreach, Inc. as of June 30, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2021

1. THE ORGANIZATION

Spiritus Christi Prison Outreach, Inc. (the Organization) is a not-for-profit corporation formed in 2002. The Organization is an affiliate of Spiritus Christi Church. The Organization carries out its activities in Monroe County, New York.

The Organization's significant programs are as follows:

Women's Program

The women's program facilitates two groups for women in the Monroe County Jail and one group in the community, which are conducted by staff and volunteers. In these voluntary groups, women engage in the process of rebuilding their lives. Upon release, many of these homeless ex-offenders elect to go to the Jennifer House to continue the process. Jennifer House is a residence owned by the Organization that provides an immediate, short-term, safe and structured housing for homeless women. Here they are reunited with their family, while connecting with the social, physical, and mental services needed to create a solid foundation for rebuilding their lives.

Men's Program

The men's program visits males in the Monroe County Jail and in some area state correctional facilities and provides a safe group experience, which are conducted by staff and volunteers. Relationships are formed in these groups, and the obstacles that led to each incarceration are explored. Upon release, many of these homeless ex-offenders elect to go to Nielsen House to continue the process. Nielsen House is a residence owned by the Organization that provides an immediate, short-term, safe and structured housing for homeless ex-offenders. Here they connect with the social, physical, and mental services needed to create a solid foundation for rebuilding their lives.

During 2021, the Organization purchased a new residence for Neilson House. Subsequent to year-end, the Nielson House was relocated to this residence and the former Nielsen House residence was donated to an unrelated tax-exempt organization whose mission is consistent with the Organization.

Spiritus Christi Shelter Plus Care Program

The Spiritus Christi Shelter Plus Care Program offer men and women long-term permanent housing at multiple locations including; Voters Block and Frederick Douglass Apartments, Charlotte Square on the Loop, Rapid Rehousing, and Thurston Rd. The Spiritus Christi Shelter Plus Care Program is a project-based program accepting referrals from Nielsen House and Jennifer House, Grace of God Recovery House, and the Spiritus Christi Mental Health Center. This program is the Phase IV program of the Spiritus Christi Prison Outreach. Through the Shelter Plus Care Program, the Organization provides case management services for up to 12 men and women as they continue to address mental health and chemical dependency issues and pursue educational and career goals.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Financial Reporting

The Organization classifies its activities into the following net asset categories:

Net Assets Without Donor Restrictions

Net assets that are not subject to donor-imposed stipulations and are generally available for support of the Organization's activities.

Net Assets With Donor Restrictions

Net assets subject to donor-imposed stipulations that are either perpetual in nature, or will be met by actions of the Organization and/or the passage of time. When a donor restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities and change in net assets as net assets released from restrictions. When donor-imposed restrictions are satisfied in the reporting period in which the related contribution is recorded, revenue is reported as without donor restrictions.

As of June 30, 2021 and 2020, the Organization's Board of Directors has designated \$5,000 of net assets without donor restriction for operating and replacement of equipment for the New York State Homeless Housing and Assistance Corporation (HHAC) funded residence.

As of June 30, 2021 and 2020, \$60,667 and \$52,667, respectively, the Organization had net assets with donor restrictions for capital projects, future strategic initiatives, time restrictions, or to offset future operating losses of the Organization.

Cash and Cash Equivalents

Cash and cash equivalents include bank demand and money market accounts. At times, the balances in these accounts may exceed federally insured limits. The Organization has not experienced any losses in these accounts and believes it is not exposed to any significant credit risk with respect to cash and cash equivalents.

Grants Receivable and Revenue Recognition

The Organization's revenues are primarily derived from New York State and local government agencies. Government grants and contracts are recognized when conditions from the grantor are met and there are no barriers to be overcome. Amounts received in advance of such conditions being met are reported as deferred revenue.

Residential Fees

Residential program fees are recognized in the period in which the performance obligations defined by the terms of contracts with government agencies are satisfied. Each service provided is billed at a rate based on agreements with a government agency. The performance obligation is satisfied as the benefit of the services are consumed and the residential program fees revenue is recorded.

The Organization determines the transaction price based on established charges for services provided. The Organization has agreements with government agencies that provide for reimbursement at established charges.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Residential Fees (Continued)

The Organization expects to collect established net charges. The Organization performs an assessment of a government agencies ability to pay for services prior to providing services.

Based on this, the Organization has determined that there are no implicit price concessions provided to those the Organization serves.

Because performance obligations are met as program services are provided, there are no client fees allocated to performance obligations that are unsatisfied or partially unsatisfied at the end of the reporting period. Residential fees are charged and collected periodically. Amounts that remain uncollected at the end of a reporting period are recorded as grants receivable. The allowance for doubtful grants receivable is estimated by management based on periodic reviews of the collectability of specific accounts receivable considering historical experience and prevailing economic conditions. Grants receivable are written off when they are determined to be uncollectible. No such allowance was considered necessary as of June 30, 2021 and 2020.

Property and Equipment

Property and equipment is recorded at cost if purchased or the fair market value at the date of donation. The Organization capitalizes all expenditures for property and equipment in excess of \$1,000 and one year estimated useful life. Depreciation is recorded using the straight-line method over the assets' estimated useful lives, which range from four (4) to forty (40) years.

Allocation of Certain Expenses

The financial statements report certain categories of expenses that are attributable to one or more program or supporting functions. Those expenses include salaries and wages, payroll taxes, employee benefits, utilities, and depreciation. Salaries and wages, payroll taxes, and employee benefits are directly charged whenever possible and practicable and otherwise are allocated based on the time spent in various programs and functions.

Operations

The statement of activities and change in net assets present the changes in net assets of the Organization's operating and non-operating activities. Operating revenues and expenses relate primarily to services provided by the Organization related to its programs.

Non-operating activities reflect transactions not related to current year operations. These include income from grants for capital additions and special projects.

Donated Services

Volunteers have donated significant amounts of time in support of the Organization's program and fundraising activities. The Organization receives more than 10,000 volunteer hours (unaudited) per year. However, the value of these services is not reflected in the accompanying financial statements as they do not meet the criteria for recognition under generally accepted accounting principles. In addition, certain professional services are provided to the Organization at no cost. The value of these professional services was \$9,000 for the year ended June 30, 2020. There were no professional services donated in 2021. These amounts are reflected in contributions on the accompanying statements of activities and change in net assets and professional service fees on the accompanying statement of functional expenses.

5. CONCENTRATION

In 2021 and 2020, the Organization recognized approximately 25% and 28%, respectively, of its total revenue and public support from the Department of Housing and Urban Development. In addition, the Organization recognized approximately 8% and 13% of its grant revenue from the Monroe County Department of Social Services in 2021 and 2020, respectively.

6. CAPITAL ADVANCES

Homeless Housing and Assistance Corporation

The Organization has acquired certain real estate and facilities utilized in programmatic operations financed through capital grants provided by New York State agency funding sources and the Department of Housing and Urban Development (HUD). These grants required the financed facilities to be utilized for their intended programmatic purposes for the term of the grant.

In 1997, the Organization received a grant in the amount of \$128,000 from the New York State Homeless Housing and Assistance Corporation (HHAC) for the purchase of Jennifer House. Under the terms of the grant, the funds were to be repaid to HHAC if the Organization stopped operating the facility as a homeless project within the 25 years of the start of the Program. The Organization has recorded the full value of the liability and it is reported in Capital Advances on the accompanying statement of financial position.

In 2002, the Organization received a grant in the amount of \$50,000 from HUD for the purchase of Nielson House. Under the terms of the grant, the Organization was required to utilize the facility for the programmatic purposes outlined in the grant. If the Organization were to fail to meet the required stipulations, the terms of the agreement allow HUD to demand repayment of the grant or take possession of the facility. The Organization had determined based on the nature of their programmatic operations they would meet the terms of the grant and recognized the grant as revenue in the period received. Subsequent to year end, the Organization donated the building to an unrelated tax-exempt organization that would utilize the facility for programmatic purposes outlined in the grant. Management believes the unrelated entity will be able to utilize the facility for the programmatic purposes over the remaining term of the grant.

7. LOAN PAYABLE

In March 2021, the Organization applied for and received a \$60,000 loan as part of the U.S. Small Business Administration (SBA) Paycheck Protection Program (PPP) under the CARES act through a bank. The PPP provides borrowings, or a portion of the borrowings, to be forgiven to the extent the Organization meets defined requirements related to the expenditure of funds and management of the Organization's personnel complement. The terms of the agreement specify that the Organization must repay the loan back, plus interest, which accrues at 1% and matures in five years, unless the loan is forgiven. The exact amount of the potential loan forgiveness was unknown at year end. As a result, the entire amount outstanding under the PPP has been reflected as a liability at June 30, 2021. Subsequent to June 30, 2021, a notice of forgiveness for the PPP has been obtained from the bank.

9. SUBSEQUENT EVENTS
